TO effectively introduce the staff and student body so that all who open these pages will want to know us better:

TO adequately represent our school so that the readers will see the first year as a busy and happy one for all:

TO record the year's activities and associations so that in later years it will serve as a pleasant reminder:

This is the threefold purpose of the first edition of "Vintage."

Rusty -

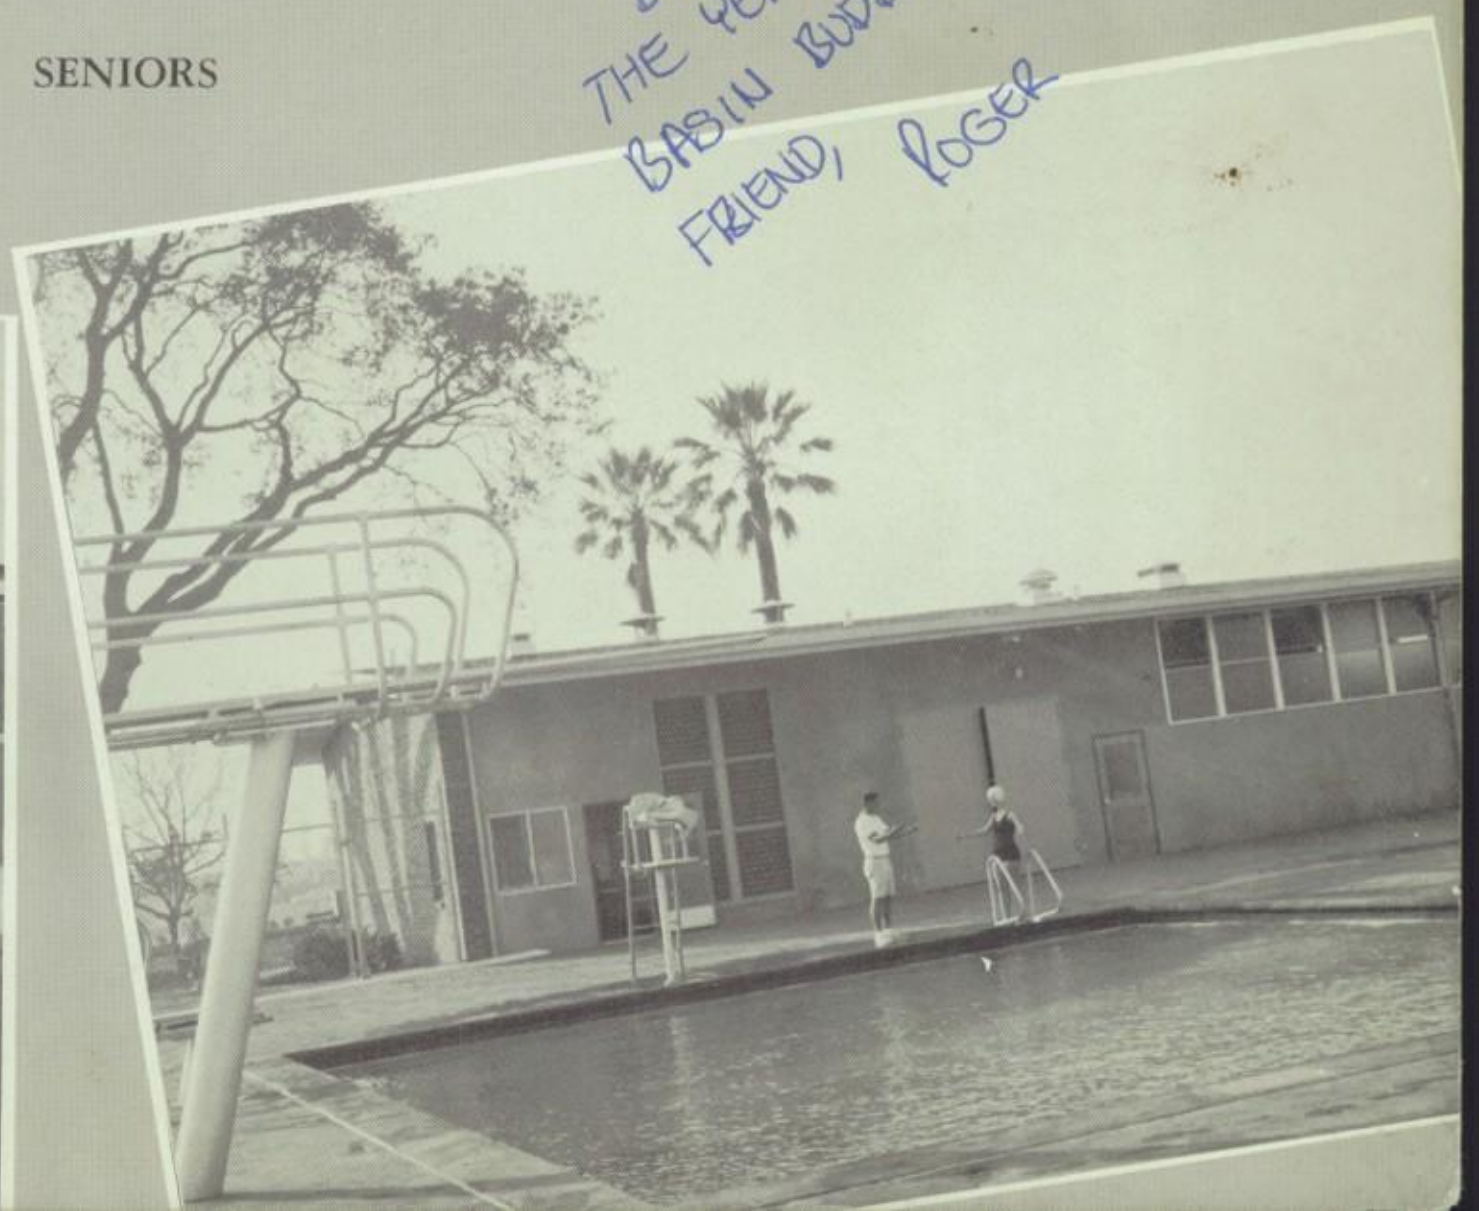
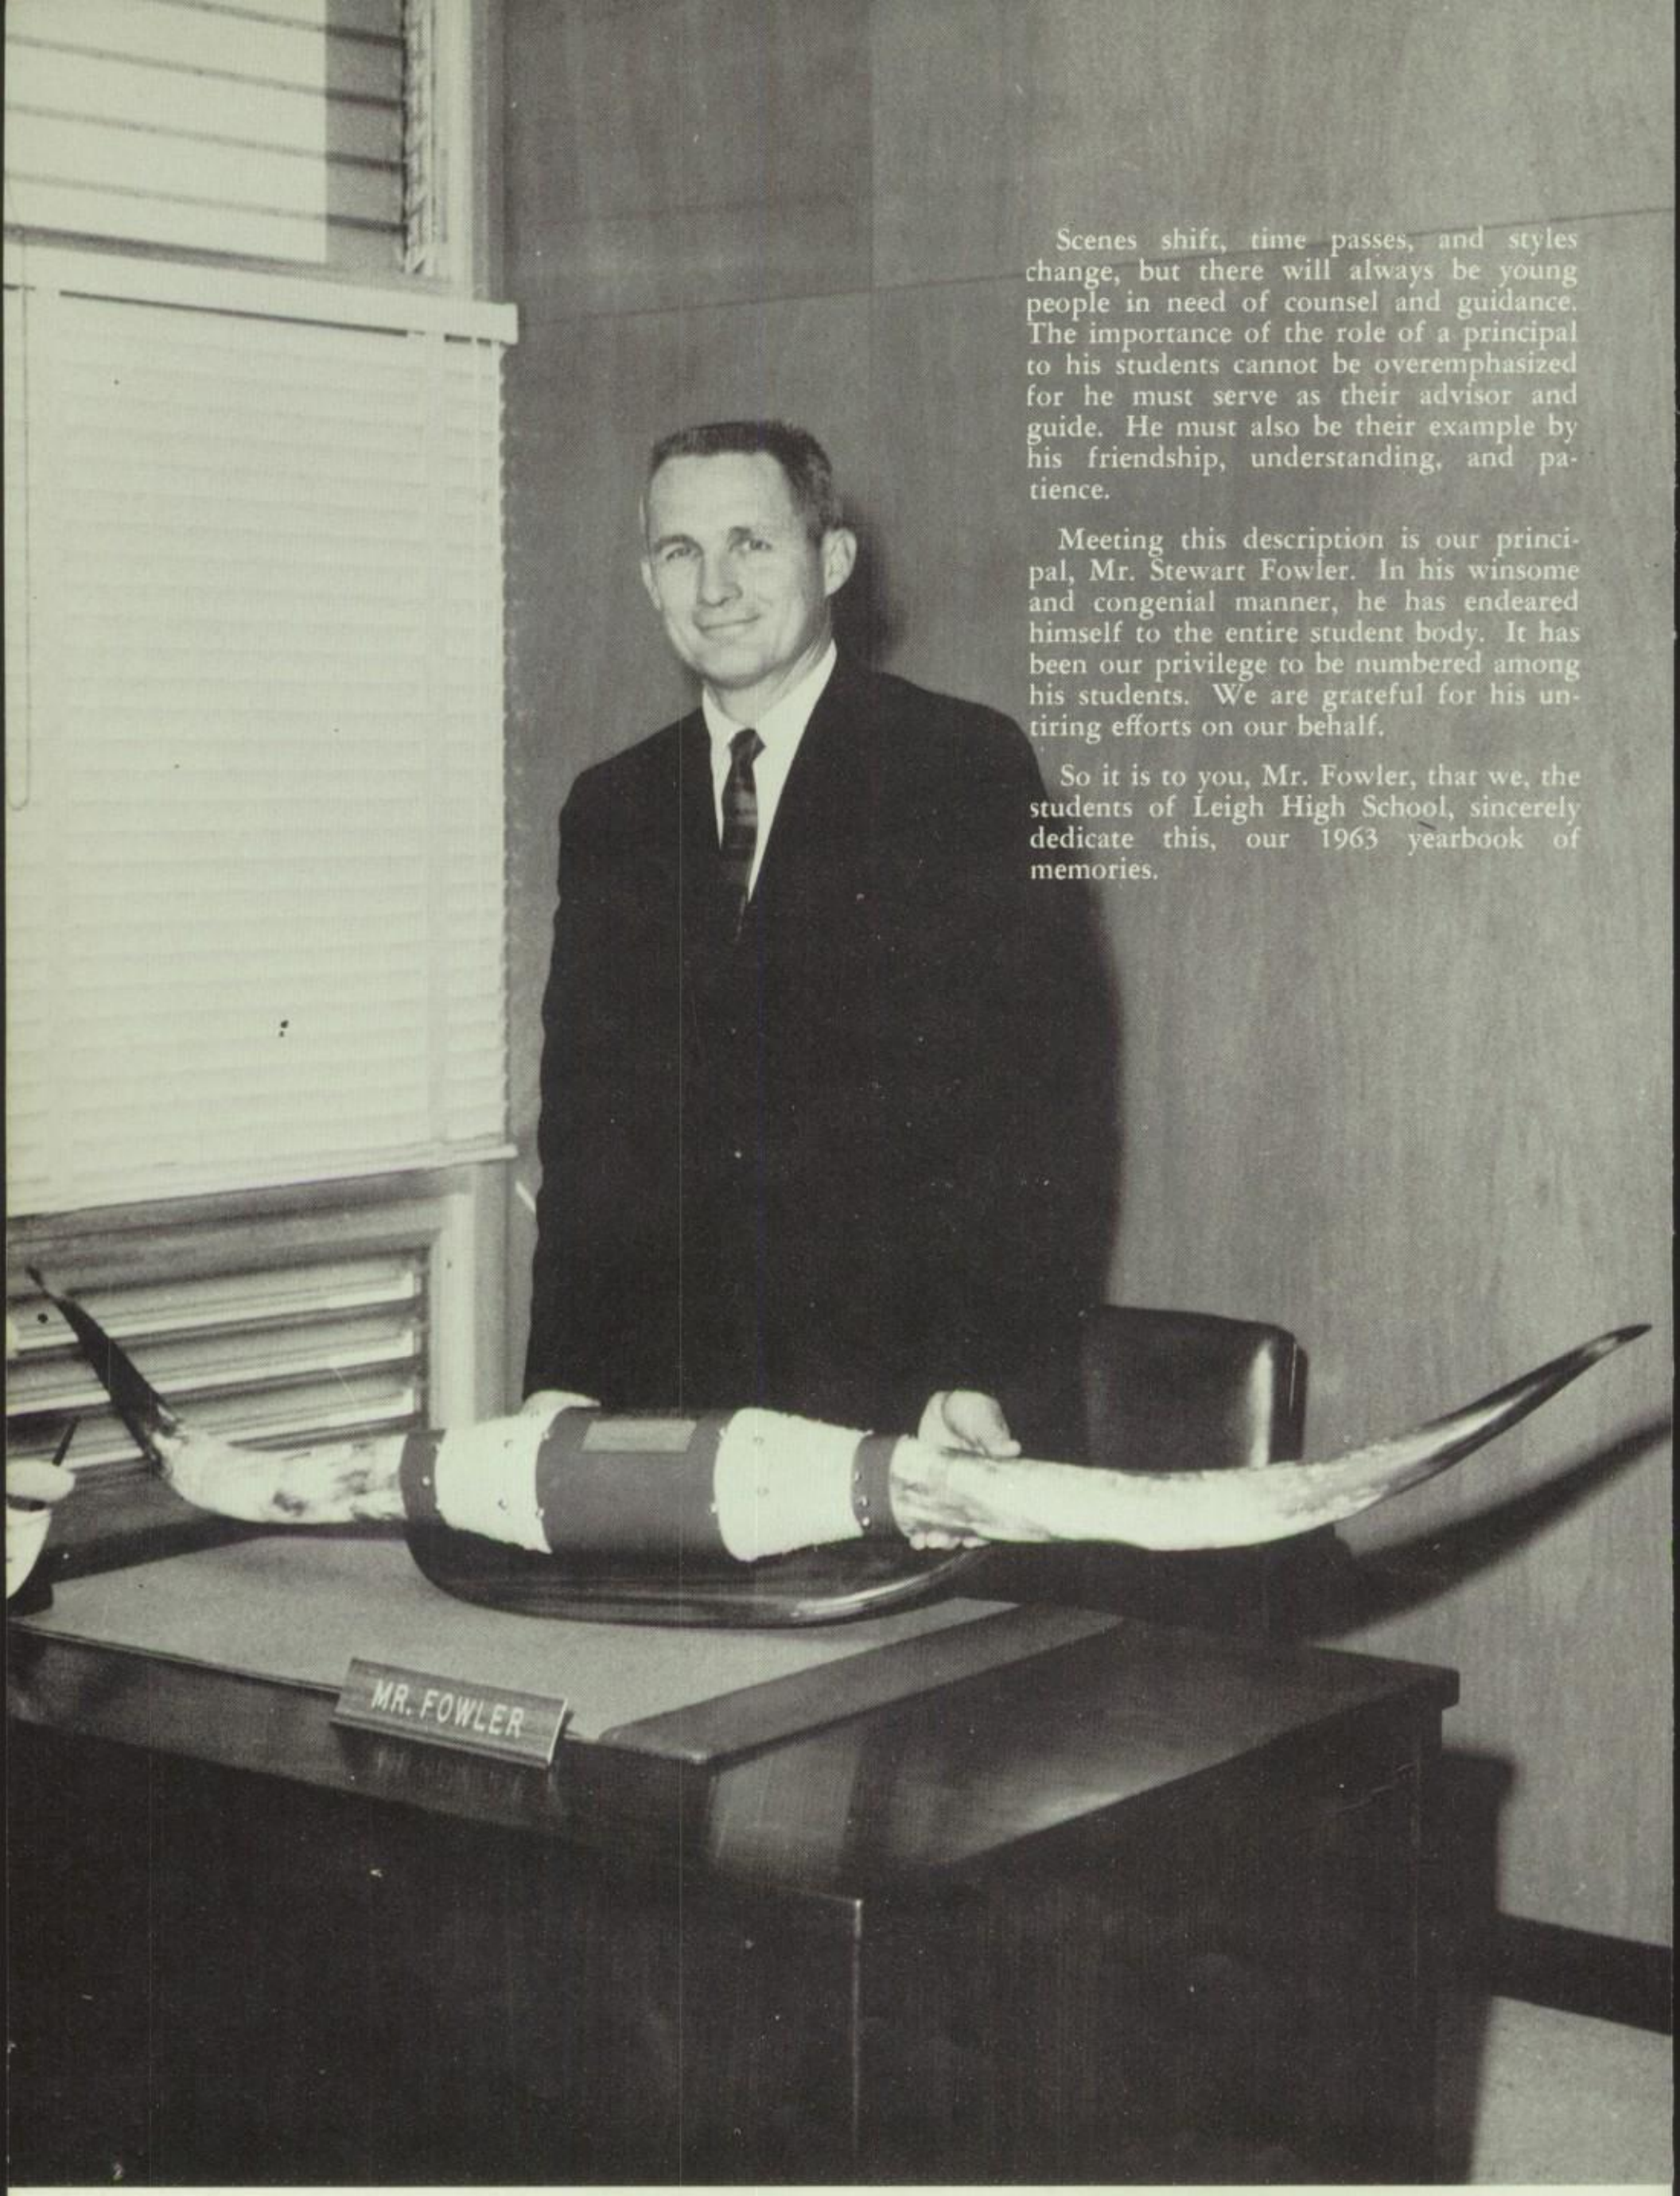
Best wishes through
the years to a big
basin buddy and good
friend, Roger





Scenes shift, time passes, and styles change, but there will always be young people in need of counsel and guidance. The importance of the role of a principal to his students cannot be overemphasized for he must serve as their advisor and guide. He must also be their example by his friendship, understanding, and patience.

Meeting this description is our principal, Mr. Stewart Fowler. In his winsome and congenial manner, he has endeared himself to the entire student body. It has been our privilege to be numbered among his students. We are grateful for his untiring efforts on our behalf.

So it is to you, Mr. Fowler, that we, the students of Leigh High School, sincerely dedicate this, our 1963 yearbook of memories.

DEDICATION

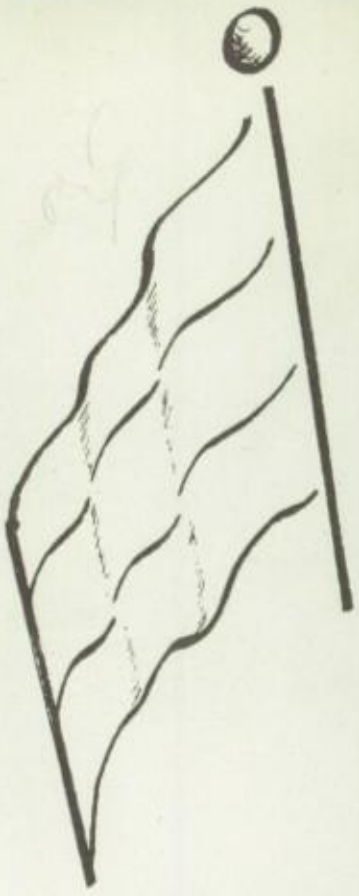
The Berlin Wall



My fall semester in Germany as a foreign exchange student provided me with some very wonderful experiences, for Berlin is certainly the most beautiful, most fascinating, and also the saddest city I have been in.

Lovely, unselfish, and outgoing, my sister, Marie Weschke, helped to make my stay enjoyable. Our good times together I will never forget.

Living with the German people, who are very friendly and engaging, taught me many things. In learning of their culture, educational system, and way of life, I have broadened my understanding of and outlook on the whole world.

For making these experiences possible, I thank the students of Leigh High School.

Gurman Suner and Dallas Koland

When I received a letter from my American family giving information about my new high school, I understood that I was the luckiest boy of all foreign exchange students. I was going to be the very first exchange student at Leigh High School.

During my 1962-63 school year, I visited many schools in the San Jose area. I liked Leigh High, I liked my teachers, the style of education, and friendships among the students. In short, I liked everything that the school had.

I hope new students who will attend Leigh in future years will like their, your, and my high school also.

Sincerely,

Gürman Suner

PRESIDENTS' MESSAGE

In the opening year at Leigh, we feel that the freshmen class has benefited greatly from their participation in the activities and spirit of the school.

Boasting a large number of students in the Honor Society, we feel that the freshmen class has contributed not only in spirit, but in the scholastic achievement as well.

We are the first class which will complete four years at Leigh. We hope that we will prove worthy of it and become successful as a class in our four years. We look to the future at Leigh.

PRESIDENTS' MESSAGE

Getting off to a good start at our new high school, the class of 1965 can be proud of their contributions in the various school activities.

Our scholastic endeavors have also been laudable with many of our students taking an active part in the Honor Society and California Scholarship Federation.

Our representation in Spirit Commission, sport events, and extra-curricular activities has been extensive.

We can be proud of the contributions the sophomores have made to our new high school, and we sincerely believe that the class of '65 will continue to contribute to the success of our fine school.

JUNIOR PRESIDENT'S MESSAGE

A new school year and a new school greeted us, as we entered Leigh this past fall with the status of upperclassmen. We accepted the responsibility of our new prestige and set about to make a record for ourselves which could be long admired by succeeding classes.

As the first junior class of Leigh High School, we were a vital part of our school's activities. We were a strong part of Leigh's first football team. The spirit shown by the class of '64 was outstanding. Academically we were well represented in both the Honor Society and the California Scholarship Federation.

We participated in the magazine sale and the school-wide paper drive. In school government we took our place as leaders, when four juniors were elected to the Student Council.

Our Junior Prom in May climaxed a very full year. In our final year we will strive to serve Leigh so that it may remain a fine school.
